HOMELEIGH PLATEAU

The Homeleigh plateau country is some of the best cattle country on the north coast. This property consists of 230 acres sitting around 400 metres above sea level and is generally frost free. The farm has a very comfortable 3 bedroom brick veneer home and views to Mount Warning, Barney, Lindesay and others. There is a magnificent spot to put a second dwelling to take in all of these views. The land is covered with Kikuyu, Shaws Creeping Vigna, some Seteria and natural grasses with good stands of hardwood trees. The land does need some attention but in general and as is could easily carry up to 80 to 100 breeders. Water is plentiful with Little Back Creek running through it plus spring dams and gullies all over the property. The property is situated 5ks off the Kyogle Murwillumbah Road on the eastern side of Kyogle, so it has easy access to all north coast towns and cities.
