2019 BUILT BRICK HOME ON A FULLY FENCED 3.2 ACRES

This lovely large brick home was built by a master builder back in 2019 and is still like new. The home features four large bedrooms with built-in robes and fans, luxurious master suite with en-suite and walk in robe. The open plan kitchen, living and dining space flows seamlessly integrating the outdoors with the indoors. The gourmet kitchen is positioned in the heart of the home and offers quality cabinetry, walk in pantry, top of the range appliances including a ceramic cook top, double built-in oven, canopy range hood and dishwasher. The main bathroom is beautifully tiled with separate bath and shower. A separate media room and plenty of storage throughout will impress. The double remote lock up garage offers internal access. This is truly a beautiful home built on 3.2 fully fenced acres with a myriad of fantastic and calming views over farming land. This home will suit the family looking for a peaceful area to live or just winding down from the farm. There are 3 water tanks (66,000 litres) to collect rainwater, garden shed and solar hot water and the location is within 5km to town, just past Geneva. This home will not last long in the current market. An inspection is invited, and you can arrange this by calling Simon on 0402 706 565 today.
