## HORSESHOE CREEK RETREAT

Picturesque 100 acres of rain forest fronting a pristine permanent creek flowing from the World Heritage listed Border Ranges National Park is just the start. A spacious four bedroom pole house is positioned for maximum privacy with a large north east facing deck which lets you live open to the natural world. The views are spectacular towards the Border Ranges and the creek shines like crystal running through the boulders and rocks of Horseshoe Creek. The use of timber, lead lighting and stone complements the light filled design. A large level garden completes the picture. On the market for the first time for many years, an inspection will confirm all of the qualities this property offers. You won't find another one like this beauty
