REAL ESTATE

robe, brekky bench, a beautiful en-suite and Courtyard with an outdoor shower.

In front of the main homestead there is the "*family get together area*" which has been conveniently placed near a magnificent old fig tree, where family and friends can enjoy each other's company and sit around an open fire and talk and have a yarn about the day's events.

The manager's residence is a comfortable 2-bedroom timber homestead with a double garage and carport.

Other outdoor improvements include a new 33m x 13m lockup machinery shed and workshop with a 4.4m suspended skillion and 6" concrete flooring. The doors are all electric and approx. 5m wide & 4.4m high.

The 2nd machinery and hay shed, is a 3-sided 36m x 12m shed with metal floor and a 3.6m suspended skillion. There is a 4-bay lockup steel shed used for cars and ATV's plus several other outbuildings located around the farm.

There are two sets of fully equipped stockyards with the main yards having its own vet crush, scales, covered working area and a spray race. The creek side yards also have a vet crush and covered working area.

WATER: 1.5km of Iron Pot Creek Frontage, Pine Gully, dams, water troughs which are feed by a new solar watering system which pumps to header tanks and gravity fed back to the troughs. There are good swimming spots along the creek and plenty of fish.

IRRIGATION: 2 Irrigation licenses totalling 160ML of Water from Iron Pot Creek. New underground mains with 4" Hydrants are located on the creek flats and some of the low hill country. The creek is feed by Toonumbar Dam so there is always ample water for irrigation.

LAND: Is just the typical beautiful picturesque rolling Northern Rivers country with its alluvial creek flats, gentle loamy hills and basalt ridges and valley's covered with Rhodes, Seteria, Legumes, Natural Grasses and good stands of Hardwood & Rainforest Trees. Plenty of shade for the cattle.

FENCING: The property is fully fenced into several grazing and holding paddocks with laneways leading to both sets of stockyards. Most of the interior fences are solar electric, with the boundaries being mainly timber and steel post with barb wire.

SUBDIVISION: The property has council approval to create 4 separate titles

LIVESTOCK: Comfortably runs 100+ cows and calves at valuation

MACHINERY: The successful purchaser will be offered all Plant and Machinery at valuation.

With all what is going on in the world today, do not miss this unique opportunity to purchase one of the best properties on the North Coast with

certainly the best improvements.
