LINDESAY VIEW

Nestled at the base of Mount Lindesay is this 342-acre lifestyle property. The property offers an uninterrupted view of Mount Lindesay which extends itself into the clouds, it is a magical part of the world. It is breathtaking just standing there in this quiet valley looking at this magnificent mountain which was once an active volcano.

On the property are two catchment dams plus an easement to the river if needed. Power also runs through the property and a council road runs along the boundary.

There is many bushwalking, horse riding or four-wheel driving tracks to explore on this property which go through onto the Old Highway Road which joins the property, then runs into the Mount Lindesay state forest and the Border Ranges National Park.

This is a unique chance to purchase a large acreage lifestyle and livestock property with the ability to harvest timber in the future for just over
